## COMMUNITY NEWS & REMINDERS

### THANKSGIVING HOLIDAY SCHEDULE

In observance of the Thanksgiving holiday, our office will be closed on the following days:

**Thursday, November 26th & Friday, November 27th**

### HOLIDAY DECORATIONS

It's the holiday season!! The following are a few basic rules we would like to remind residents to adhere to for decorations.

- ♦ **Decorations are only permitted on the door or windows of a home and may not be installed in the common area.**
- ♦ Christmas lights and decorations placed on your unit may not be put up on the roofs or in the landscaping.
- ♦ Christmas lights and decorations should be up no sooner than Thanksgiving and removed by January 5th of the next year. Lights and decorations up after that period are in violation and may be removed by the Homeowners Association at the owner's expense.
- ♦ Any other decorations for major or other holidays may be displayed no sooner than two weeks before the holiday and must be removed within seven days after the holiday. No Halloween structures, webbing, bales of hay, or similar items are permitted in the common area.

For further information, please review the rules and regulations.

Please remember that all owners must register new renters. Tenant registration forms can be found by going to [www.socalenterprise.com](http://www.socalenterprise.com).

## GENERAL NOTICES & MEETING AGENDAS

For your convenience, general notices and meeting agendas are posted on the bulletin boards located by the pool entrances.

## COMMITTEE VOLUNTEERS

We are in need of volunteers to help with the community. This is a great way to get involved in the business of the association. Currently we are asking for landscape committee volunteers, but also have a parking committee. If you would like to serve on a committee, please notify management to send you a Committee Member Interest Form.

## PESTS

Pest Control is conducted every 3rd and 4th Friday of the month. Please note that you are able to contact Elite Pest Management directly to have the interior of your unit serviced at a reduced rate. Rates and contact information for Elite are located in the HOA Information section on the front of this newsletter.

## GUEST PARKING

Parking is first come first serve. Be reminded that no vehicles are to be stored or parked in guest parking for over 72 hours. Vehicles will be towed if parked in excess of 72 hours. Should you see any vehicles stored in guest parking, please contact management or Patrol Masters directly to report vehicles.

## LAUNDRY MACHINE REPLACEMENT

Laundry contract with CSC is in the process of being terminated and laundry machines being replaced. The schedule has not been received yet but more information will be placed on the boards and notice being placed on each building. Please look out for the notifications.

## TRASH CAN UPDATE

Switching of the cans is underway and is being conducted in very small phases as Waste Management cannot handle a large volume of service. If your cans are broken, please call management immediately to have them replaced.

## OVERSIZED ITEMS

PLEASE DO NOT LEAVE LARGE ITEMS OUT WITHOUT NOTIFYING MANAGEMENT. As part of the refuse service, the association has a number of free bulky item pick-ups. Should you require a pick-up, please contact Jacob in our office to assist you. You can also email him at [frontdesk@socalenterprise.com](mailto:frontdesk@socalenterprise.com).

Do not leave items on the property until the night before pick-up. If items are being removed at your cost, please inform management of your intentions so that we are aware, should a resident report you address as a violation. PLEASE AVOID THIS HASSLE AND COMMUNICATE WITH MANAGEMENT.

## COMMON AREA WATER USAGE

Since the association pays for the water used in the community, the following rules apply:

- ♦ No association water may be used to fill pools, buckets, balloons or water toys.
- ♦ Water may not be used to wash vehicles, sidewalks, driveways, windows or animals.
- ♦ Absolutely NO water is to be sprayed in garages or laundry rooms.
- ♦ You MAY clean your refuse bins with association water on Monday prior to placing your bins back in the garage.

The violation of this rule will result in a \$200.00 fine.

## RAIN GUTTERS/ROOF UPDATE

Winter season is upon us and the association is preparing to have the rain gutters and roof cleaned before the rains come. American Rain Gutter will be placing the schedule at each building to notify when service will be as this will need to be completed over a few days. Please remember that it is your responsibility to have any items from under the gutters or roof put away so that they are not damaged or stained of falling debris.

Please review the Rules and Regulations for detailed rules.

Residents in violation of any rules, in general, are subject to violations and/or fines.

## WELCOME

We would like to welcome all new homeowners to the community!!

## COMMUNITY NEWS & REMINDERS

### General Notices & Meeting Agendas

For your convenience, general notices and meeting agendas are posted on the bulletin boards located by the pool entrances.

### Common Area Water (REMINDER)

Use of water in the common area still remains to be a problem. Since the association pays for the water used in the community, we would like to remind everyone that the following rules apply: No association water may be used to fill pools, buckets, balloons, or water toys. Water may not be used to wash vehicles, sidewalks, washing down buildings, garages, driveways, windows, or animals, etc. Absolutely NO water is to be sprayed in garages or laundry rooms. The violation of this rule will result in a \$200.00 fine.

### Common Area Lighting

It has been noted that lighting is being installed and connected in the garages, THIS IS NOT ALLOWED as the associations utilities are budgeted. Specifically, per the rules and regulations: The electrical outlets located in the common area are not for private use. This includes the laundry room and garage outlets. Please use an extension cord from your own unit's electrical supply. A violation of this rule will result in an automatic fine of \$200.00.

### Laundry Rooms

The laundry room trashcans are rather small and not for disposing of regular trash. Please use this only for regular laundry trash such as lint trap waste and softener sheets.

Your understanding is appreciated!

Please remember that all owners must register new renters. Tenant registration forms can be found by going to [www.socalenterprise.com](http://www.socalenterprise.com).

## **Maggot Problem**

Reports of maggots located in and around garages are being received. It is starting to get hot and it is that time of year. Flies get into cool places, lay eggs and presto, Maggots! The best and only real way to solve the problem is to keep the trashcans cleaned with soap and water, bleach, Pine Sol, etc. Please remember to keep your trash bagged to discourage more flies from coming.

If there are any openings in the drywall or stucco inside the garage, please notify management so that they can be repaired.

**For any pest control issues in the garage, please contact management to determine responsibility and to schedule the service call.**

**No storage of household items is allowed in garages.**

**Cleaning and keeping the garages clean is the residents responsibility!**

## **Filters**

**Please remember to check and clean or change your filters on a monthly basis.**

## **Potted Plants**

Only 2 potted plants are allowed within the community. This refers to ALL units, balconies included. Please remove any extra potted plants you may have and store them out of the common area. If you have a shelf on the outside of your window, you may have more plants on this shelf. Please ensure drip pans are used.

## **Satellite Dishes**

AND ANY OTHER WIRING FOR CABLE/INTERNET MUST BE PRE-APPROVED in writing BY THE BOARD OF DIRECTORS. Satellite dishes first require an approved Architectural Request Form and a \$75.00 deposit. No satellite dish or antenna or any other apparatus may be installed upon any walls, roof, attic or crawl space. Satellites must be strategically placed on the fascia board only and the owner must first have written architectural approval. Improper installation will result in the removal of the dish at the owner's expense. If you are a homeowner leasing your unit to a tenant: You are responsible for any satellite dishes left behind after your tenant leaves the unit a fine of \$100 will be assessed for each satellite dish left behind. Each homeowner has the right to refuse tenants from installing these dishes. You may stipulate in your lease that only cable or FIOS is allowed in your unit. The HOA Board of Directors reserves the final decision on all satellite dish approvals and location of installation.

**Please review the Rules and Regulations for detailed rules.  
Residents in violation of any rules, in general, are subject to violations and/or fines.**

The violation of this rule will result in a \$200.00 fine.

## **LANDSCAPE UPDATE:**

It has been reported by the landscapers that the common area plantings are being damaged by dogs and cats. Owners: The cost to restore the common area due to animal activity will be assessed back to the unit owner if witnessed in coordination with CC&R's. Please reference your documents for the board's authorization to enforce this action.

## **CONCRETE UPDATE:**

The association is undertaking a concrete replacement project on College, Lomeli and Bolling that should be of minimal inconvenience. For those owners who have residents, you will need to be sure you notify your tenants of the pending work and to look for notices that will be posted prior to the work being conducted.

There has also been areas of concrete damage due to the over excessive water coming out of the condensation line for the air conditioning units. If your unit is having more than drops at a time, you will need to clean or replace the filters for your air unit. Please have this done immediately, otherwise, the board may choose to conduct an alternate method such as having a drain line installed to avoid further damage, and assessing back the costs. Your cooperation is greatly appreciated.

Please remember to check and clean or change your filters on a monthly basis to avoid the above matters.

**Please review the Rules and Regulations for detailed rules. Residents in violation of any rules, in general, are subject to violations and/or fines.**

**Este reporte contiene las instrucciones mas recientes para obtener informacion importante sobre su agua potable.**

The Consumer Confidence Report, or CCR, is an annual water quality report that the Safe Drinking Water Act (SDWA) requires the City of La Verne to provide to you. The purpose of the CCR is to raise customer awareness of the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to their homes and businesses, and the importance of protecting drinking water sources.

In recent years, the City of La Verne has mailed its customers a printed copy of the CCR to comply with the SDWA. In 2013, the California Department of Public Health expanded its interpretation of the SDWA to allow for electronic delivery of the CCR. The electronic delivery method will allow the City of La Verne to reduce consumption of paper, and minimize printing and mailing costs.

The Consumer Confidence Report will be available on July 1, 2020 at [www.cityofla.verne.org/ccr](http://www.cityofla.verne.org/ccr). If you would like to request a printed copy of the Consumer Confidence Report or would like to speak with someone about the report, please call our customer service office at (909) 596-8744.

El Informe de Confianza de Consumidor estara disponible el 1 de Julio de 2020 en [www.cityofla.verne.org/ccr](http://www.cityofla.verne.org/ccr). Si le gustara solicitar una copia impresa del Informe de Confianza de Consumidor o gustara hablar con alguien sobre el informe, por favor llame nuestra oficina de atención al cliente al (909) 596-8744.

## GENERAL INFORMATION & REMINDERS

### PEDESTRIAN GARAGE DOOR LOCKS

Pedestrian garage door locks are being changed as some garages can't be accessed. If there is sticking or lock issues, please contact management. If the master key doesn't allow access, the lock has been changed and will be rekeyed for master access with the charges being assessed back to each unit owner who shares the garage. The key will not be mailed to you and the owner will need to pick it up at Sanders Lock & Key.

### AC UNITS

The condensation line for your air conditioning unit is causing damage to the common area. You need to clean or replace the air conditioning filters immediately. Please change the disposable filters or clean the permanent filters on your AC unit on a monthly basis. Your cooperation is greatly appreciated.

### BULK PICK UP

There is an automatic fine for dumping large items in the alley way. Please make sure you call to have a bulk pick up. Place a note on your items to let us know when the items should be picked up to avoid possible fine and/or violation.

### DISTURBANCES

If you are experiencing any disturbances where you may need to call the police, please remember that Patrol Masters can also be called to take a report and be the liaison for police as they are available 24 hours. Please utilize the Association's Security Patrol to help enforce any matters necessary.

### LAUNDRY ROOM

Please be on the lookout! There have been break-ins to the laundry rooms. Please contact patrol to file a report should you see this type of activity and report ripped screens.

Also, when reporting an inoperable laundry machine, please include the machine information so that management can report it for you.

### WASP NESTS

Management has been checking for wasp nests on inspections. Should you have any under your eaves, please contact management to schedule removal.

It has been noted that rental signs are being placed in the common areas. Per the Rules and Regulations, rental signs can only be placed in the windows. Any rental signs will be removed from the common area and placed on your door along with a violation notice being mailed to you for an infraction of the rules. Thank you for understanding!

Please remember that all owners must register new renters. Tenant registration forms can be found by going to [www.socalenterprise.com](http://www.socalenterprise.com).

## **SATELLITE DISHES**

It has been noticed on many site inspections that more satellite dishes are being installed without architectural approval. The association's rules and regulations are specific and state:

**Satellite Dishes:** MUST BE PRE-APPROVED in writing BY THE BOARD OF DIRECTORS. Satellite dishes first require an approved Architectural Request Form and a \$75.00 deposit. No satellite dish or antenna or any other apparatus may be installed upon any walls, roof, attic or crawl space. Satellites must be strategically placed on the fascia board only and the owner must first have written architectural approval. Improper installation will result in the removal of the dish at the owner's expense. The Association will have FIOS available in late 2011. We will also be having a painting project in the community at which time all satellite dishes will be required to be removed. At that time you may choose to transfer to FIOS or you may reapply for Architectural approval from the Board. If you are a homeowner leasing your unit to a tenant: You are responsible for any satellite dishes left behind after your tenant leaves the unit a fine of \$100 will be assessed for each satellite dish left behind. Each homeowner has the right to refuse tenants from installing these dishes. You may stipulate in your lease that only cable or FIOS is allowed in your unit. The HOA Board of Directors reserves the final decision on all satellite dish approvals and location of installation.

Management will be checking for architectural approval on file for satellite dishes. Should it be discovered that no approval is on file, you will be notified directly by receiving a violation notice with form which will need to be submitted along with \$75.00 by the date on the notice or the satellite dish will be removed and charged back to the owner.

## COMMON AREA

Management has noticed many miscellaneous items around units, such as foldup camping chairs, incorrect tables, extra bricks, extra potted plants, brooms/mops, hoses, etc. Please be reminded of the rules & regulations regarding common area and what is against the rules as many violation letters are being sent with regard to the above mentioned infractions. Please note, inspections of the association are conducted 4 times per month. Please take the time to remove any stored items that are in the common area or common area view and have them stored away accordingly.

## COMMUNITY GENERAL INFORMATION

### LAUNDRY ROOM

The associations laundry machine contract is expiring and the new laundry company will be All Valley Washer. There may be some slight inconveniences when switching companies as they will need to switch out machines as well. A schedule will be received and be posted on the bulletin boards by the pools. Please keep an eye out!

### BBQ'S & SMOKERS

BBQ season is upon us. Please remember to pull BBQ's away from the stucco when in use to avoid a fire hazard. If you have more than one BBQ, it must be removed or stored out of the common area view as only 1 is allowed per unit. No BBQ's are to be stored under the stairs.

### COMMERCIAL VEHICLES

You may not park, store, or maintain, any boats, trailers, commercial vehicles, campers, RV's, or other vehicles not customarily used as a means for daily passenger transportation within the Villa La Verne Community.

Effective June 1st, Patrol Masters will be enforcing commercial vehicle parking violations. Owners or renters must obtain a city parking permit to park commercial vehicles on the streets.

### HOA WATER USAGE

We understand that hotter weather is approaching, however, please remember that since the association pays for the water used in the community, the following rules apply:

No association water may be used to fill pools, buckets, balloons, or water toys. Water may not be used to wash vehicles, sidewalks, driveways, windows or animals. Absolutely NO water is to be sprayed in garages or laundry rooms. The violation of this rule will result in an automatic \$200.00 fine.

Please review the Rules and Regulations for detailed rules. Residents in violation of any rules, in general, are subject to violations and/or fines.

### PEST CONTROL ISSUES

It has been reported that the association has American roaches which live in the sewers and storm drains. Unfortunately, there is not much you can spray directly into a sewer, but can treat the storm drains and irrigation boxes around the community with a bait that seems to work well. Please contact management should you see these roaches around your building so that service can be called.

The association recently had the exterior of the buildings treated for termites and it was found that termites are on most of the units. Please remember that termite eradication on the inside of the units is the owner's responsibility. Please feel free to contact Elite Pest Control to have your unit inspected/treated for termites at (877) 535-4833.

**We have added wonderful improvements to the community. Your board has worked hard to bring up property values. Such improvements include:**

**Curbing along college alley and the pepper alley including planting of vining plants that will eventually cover the black wall.**
